GLOBAL POINTS OF PROGRESS - Romania: The International AUnion for Conservation of Nature has moved the European bison from vulnerable to near threatened, reflecting decades of dogged conservation work. Europe's largest land mammal only survived in captivity in the early 20th century. Reintroduction efforts began in the 1950s, and the Continent's bison population more than tripled to 6,200 between 2003 and 2019. The largest subpopulations now graze in Poland, Belarus, and Russia. Cozens of bison have also been released into Romania's Southern Carpathian Mountains as part of the area's largest rewilding program.

BHS Sports & Entertainment Marketing students are so excited for our 4th annual Play4Kay fundraiser event after we raised more money for the Kay Yow Cancer Fund than any other high school in the country last year! Although we're unable to host a Play4Kay basketball game this year, we'll be carrying on two our favorite traditions by selling commemorative t-shirts and hosting an online silent auction. We are also adding a couple of new elements this year - "flamingo flocking" and a series of restaurant spirit nights. Spirit nights are not only a way to raise money for the Kay Yow Cancer Fund but also a way to help our local restaurants who have been heavily impacted by COVID restrictions. Visit our [Play4Kay event website](#) for more information on all of our upcoming events.

Qualified candidates are eligible to compete for scholarships ranging from \$15,000 per year up to a full scholarship. The deadline for nominations is June 15, 2021.* Any nominations submitted after June 15 will be considered on a case-by-case basis. The criteria for nomination are as follows:

- Students must rank in the top 10% of the class. (If your school does not rank, you may be asked to send transcripts)
- Students must have achieved a minimum score of 1300 (critical reading and math combined) on the SAT or 28 composite on the ACT.

- All students who are nominated for this program must apply by either our Early Decision or Early Action deadline.

Nominees are screened by the Wofford Scholars Selection Committee. Students who meet the criteria, will be invited to participate in Wofford Scholars Day in November. This program includes interviews for the students and various information sessions for nominees and their parents. If interested in being considered for nomination, email Mr. Rudder at JRudder@wcpss.net.

Broughton has been asked to make sure our current junior girls are aware of an opportunity offered by the American Legion Auxiliary called Tar Heel Girls State. This summer the event, designed to provide rising high school senior girls an opportunity to study citizenship in a democracy with a "hands-on" approach, will be held virtually June 14-18. For more information, visit www.alathqs.com. Then, girls who are interested must visit www.legion.org to get an endorsement by the local Unit in Wake County.

ACT On-Campus for Juniors

The ACT is scheduled on-campus for all 11th graders on Tuesday, February 23. All 11th Grade students must go to my.act.org to create their MyACT account prior to test day. Once the account is created, students will need to login to complete their profile and demographic information. Students do NOT need to register for the February 23 test. Students are already registered for the test, but they still need to create their own MyACT account so that they can receive their scores electronically. Once students create their login and they sign into the MyACT site, they should click their name at the top right corner of the screen and complete the "About Me" section to complete their test profile. More details about test day and directions for students will be shared closer to test day.
