High Schools: [Spectator Event Bag Rules to begin March 1](#)

To increase safety and security at WCPSS-sponsored spectator events on high school campuses, the district will implement new [High School Spectator Event Bag Rules](#) beginning March 1, 2024. As a part of the new rules, spectators will be permitted to bring into events one clear bag no larger than 12" x 15" x 3" as well as:

- **A small, clear clutch bag/wristlet;**
- **Bags containing medically necessary items for that attendee's assistance (e.g., an oxygen tank); and**
- **Diaper bags.**

Full rules and FAQs are available at wcpss.net/bagrules.

The Broughton Instrumental Program will be hosting a Spirit Night at Piccola Italia on **Thursday, February 29th!** Please stop by anytime during operating hours and say you are there to support Broughton Instrumental, and Piccola Italia will donate a portion of their proceeds to help support our program!

WorldStrides Educational Travel & Experiences-- **Veterinary Academy**: A program designed to give high school students the opportunity to learn from teaching veterinarians and seasoned animal care and conservation professionals as they witness firsthand the behind-the-scenes moments in a working veterinarian's life. Participants earn up to 60 veterinary hours - a required part of every vet school application. Program options include Dolphin Conservation & Research, Dog Sanctuary & Wildlife Rescue, Horse & Large Animal Medicine, Zoo Medicine & Management, Elephant Sanctuary & Dog Rescue, etc. Looking for participants who have an interest in the fields of science, medicine, and animal studies. If interested in being nominated, see Mr. Rudder in the Guidance Resource Center [Room 1209]. Deadline date: March 22, 2024.

Seniors and juniors may sign up to meet with college representatives who visit Broughton throughout the school year. Of course, **parents are always welcome to attend**. Sessions meet on the first floor hallway in front of the small gym.

Calling All Teens! Register for the Commute Smart Ambassador Academy

The Commute Smart Ambassador Academy is now open for Raleigh teens ages 13-15. It is centered around transportation design, history, equity, and more. The goal of the program is to engage teens in activities and lessons around transportation issues and topics so they can become ambassadors for their peers and encourage the use of alternate forms of transportation whenever possible. Upon graduation from the academy, participants are awarded a free bicycle fitted to them. This is the second year of the program with last year's inaugural program being a huge success with positive feedback from both students and parents.

You can learn more and register .

STUDENT ANNOUNCEMENTS [JUNIORS & SENIORS]

Carleton College [Northfield, MN] had asked Broughton to nominate a current junior for their **week-long summer program**, the Carleton Liberal Arts Experience [CLAE]. The program is designed to introduce Carleton and the liberal arts through a thematic curriculum rooted in African American Studies. CLAE is intended for students who identify as Black or African American or those interested in African American culture. CLAE is free! **Carleton sponsors 100% of the cost—including air travel**, lodging, and meals. If interested, see Mr. Rudder in the Guidance Resource Center [Room 1209].

Broughton has been asked to nominate current juniors [rising seniors] for TarHeel Boys' State sponsored by The American Legion Department of North Carolina. The program is scheduled June 16-22 on the campus of Catawba College, in Salisbury, NC. Delegates representing all geographic areas of North Carolina participate annually in this program. For more information and to pick up an application, see Mr. Rudder in the Guidance Resource Center, Room 1209, between 7:00-Noon. Mailing Deadline: May 1, 2024.

Students who were unable to assist their parent in creating FSA IDs because they did not have a SS#: [Some would get to the end and were told to call a number, but never got a person] This is the form that their parent(s) need to complete: *Attestation & Validation of Identity* One is in English and the other in Spanish.

Young people interested in summer job opportunities at the YMCA:

Our Summer Day Camps at the YMCA are hiring! We need counselors who have a passion for working with young people (ages 4 - 15). **Counselors 16 or older looking for a summer job with availability during the summer that LOVE kids!** Summer Camp will run from June 17 – August 16. This is a 30-40/hour (8 am – 5 pm) a week seasonal position where staff will work 4 days throughout the week with 1 day off. We ask for staff to be available for at least 6 weeks of the 9-week summer. What does a counselor do? We tell our staff that they “get paid to play!” Staff get to hang out and play with kids, do arts and crafts, and be a role model for younger campers!

How do they apply?

A summer program hosted by Duke: The Summer Training in Academic Research (STAR) Program provides a high-quality research experience for undergraduate students, **high school students**, and middle and high school teachers during the summer academic break. The eight-week program will give participants who are interested in science and medicine real hands-on experience in research methodology and writing. Participants are placed in teams and matched with Duke faculty mentors to work on an original, hypothesis-driven project, originating as a one-page summary and culminating in a complete research paper. A goal of the program is to have every participant qualify for co-authorship on a peer-reviewed manuscript related to their team's project. The STAR Program is held at the Duke Clinical Research Institute in Durham, N.C., which has organized educational and support programs for junior faculty, fellows, residents, and medical students as well as high school and college students. *Participants receive a stipend to attend, which makes the program an option even for students who planned to work over the summer break ([see below](#)).* Summer 2024 applications period is from Nov. 20, 2023 thru Jan. 05, 2024. There will be no extension. The program will take place on June 24 to August 2, 2024. Questions may be submitted via email (dukestarprogram@duke.edu).

Give the Gift of Leadership

The University of Chicago's summer pre-college programs draw from the multidisciplinary emphasis and intellectual richness of the College's Core curriculum. Whether it's creative writing, economics, or molecular engineering, students can find a formative college-level experience on campus this summer. Programs with in-person and online courses include Immersion, Enrichment, Stones and Bones and Summer Online. To learn more about the full list of in-person and online courses, application deadlines, program dates, tuition, and scholarship information, visit www.summer.uchicago.edu.

Tufts Pre-College Programs offer ambitious high school students the opportunity to learn from renowned faculty and experience a rigorous academic environment at a leading higher education institution. We are excited to welcome students to campus this summer for over 20 programs, including our new offering -- Engineering with Artificial Intelligence. Our offerings span across a wide array of subject areas from engineering, studio art, coding, entrepreneurship, international relations, leadership, and so much more. For more information, visit www.precollege.tufts.edu/team.

The Furman University Jazz Studies program and the Greenville Jazz Collective are excited to invite high school students to our Summer Jazz Camp at Furman University June 23-27. The camp is designed for high school [and middle school students with approval], and it will include instruction by the best jazz musicians in Upstate South Carolina. We are pleased to include both overnight and commuter options. Students will perform in small and large jazz ensembles and receive instruction on improvisation, jazz history, jazz theory, and instrument-specific topics. We will also have nightly concerts featuring our clinicians and the Greenville Jazz Collective Big Band. The cost is \$575 per student for overnight and \$455 for commuter students, but the Greenville Jazz Collective is offering scholarships based on need. To apply for or inquire about scholarships, email JazzCamp@greenvillejazzcollective.com.

Students can explore different career paths and majors, live on a university campus, and challenge themselves with Rochester's Pre-College Programs. Our summer programs give students the freedom to experience Rochester's unique curriculum and join others from around the world. Pre-College Programs not only give students a taste of the college experience, but they also introduce them to unique perspectives, cultures, and ways of thinking about the world. Encourage your students to check out Rochester's programs for next summer. Questions? Contact us at (585) 275-3221 or precollege@rochester.edu.

The Cooper Union Summer Art Intensive offers high school students (rising sophomores to seniors) the opportunity to immerse themselves in art making in an art college environment with professional instruction alongside classmates who share their passion for art and design. Current Cooper Union undergraduates serve as teaching assistants to support student success and enrich the student experience. Students in the program choose from the concentration sections with courses in Drawing, Animation, Digital Photography, Graphic Design, Studio Practice (for rising seniors). All students will participate in field trips to museums, galleries, and artists' studios. In the final week of the program, an exhibition will be mounted showcasing program-created work and for the celebratory opening event we will invite family, friends, and colleagues to view and congratulate the artists. All materials and museum entry fees are included in tuition.
