Young people interested in summer job opportunities at the YMCA:
 Our Summer Day Camps at the YMCA are hiring! We need counselors who have a passion for working with young people (ages 4 - 15). **Counselors 16 or older looking for a summer job with availability during the summer that LOVE kids!** Summer Camp will run from June 17 – August 16. This is a 30-40/hour (8 am – 5 pm) a week seasonal position where staff will work 4 days throughout the week with 1 day off. We ask for staff to be available for at least 6 weeks of the 9-week summer. What does a counselor do? We tell our staff that they “get paid to play!” Staff get to hang out and play with kids, do arts and crafts, and be a role model for younger campers!

How do they apply?

STUDENT ANNOUNCEMENTS [JUNIORS & SENIORS]

Meredith College offers an annual women's leadership conference for **high school juniors** who are interested in developing and sharpening their leadership skills. The Meredith College Office of Student Leadership and Service, in conjunction with the Office of Admissions, will host this free conference on Saturday, February 24, 2024. [Registration is now open.](#) Please register by Monday, February 19, 2024. Call the Office of Admissions at 1-800-MEREDITH or e-mail us at admissions@meredith.edu with any questions.

Juniors: [Swarthmore College](#), one of the nation's top [liberal arts](#) and [engineering](#) colleges, is now [accepting nominations](#) for their all-expenses-paid fly-in program Discover Swarthmore. [Discover Swarthmore](#) was designed to level the playing field for students who may not be able to visit our campus in person without financial assistance, or have other obstacles on their path to college. [Nominations](#) are due Saturday, June 15, 2024. Rising high school seniors stay on a college campus for a few days and get a taste of the college experience — meeting current students and professors, eating in the dining hall, and spending a few nights in college dorms with student hosts — with all expenses paid by Swarthmore. Not only do students get a glimpse of college life, but they also gain valuable information about college admissions and financial aid from experts. Fly-in programs are also a helpful way to see if a specific college is the right fit for them. While the Fall 2024 program dates have not yet been finalized, we typically offer two Discover Swarthmore programs, in mid-September and late October, to give students maximum flexibility. Last fall, our on-campus programs took place during the last weekends of September and October. If interested in being nominated, see Mr. Rudder in the Guidance Resource Center, Room 1209 any day before noon. Deadline: Saturday, June 15, 2024.

2024 SUMMER OPPORTUNITIES

A summer program hosted by Duke: The Summer Training in Academic Research (STAR) Program provides a high-quality research experience for undergraduate students, **high school students**, and middle and high school teachers during the summer academic break. The eight-week program will give participants who are interested in science and medicine real hands-on experience in research methodology and writing. Participants are placed in teams and matched with Duke faculty mentors to work on an original, hypothesis-driven project, originating as a one-page summary and culminating in a complete research paper. A goal of the program is to have every participant qualify for co-authorship on a peer-reviewed manuscript related to their team's project. The STAR Program is held at the Duke Clinical Research Institute in Durham, N.C., which has organized educational and support programs for junior faculty, fellows, residents, and medical students as well as high school and college students. *Participants receive a stipend to attend, which makes the program an option even for students who planned to work over the summer break (see below).* Summer 2024 applications period is from Nov. 20, 2023 thru Jan. 05, 2024. There will be no extension. The program will take place on June 24 to August 2, 2024. *Questions may be submitted via email (dukestarprogram@duke.edu).*

Give the Gift of Leadership

Applications are now open for the Young Women's Leadership Institute at Saint Mary's School, a two-week elite summer camp with Duke University. Featuring top women leaders, we empower high school girls through extensive leadership training and skills enhancement.

The University of Chicago's summer pre-college programs draw from the multidisciplinary emphasis and intellectual richness of the College's Core curriculum. Whether it's creative writing, economics, or molecular engineering, students can find a formative college-level experience on campus this summer. Programs with in-person and online courses include Immersion, Enrichment, Stones and Bones and Summer Online. To learn more about the full list of in-person and online courses, application deadlines, program dates, tuition, and scholarship information, visit www.summer.uchicago.edu.

Tufts Pre-College Programs offer ambitious high school students the opportunity to learn from renowned faculty and experience a rigorous academic environment at a leading higher education institution. We are excited to welcome students to campus this summer for over 20 programs, including our new offering -- Engineering with Artificial Intelligence. Our offerings span across a wide array of subject areas from engineering, studio art, coding, entrepreneurship, international relations, leadership, and so much more. For more information, visit www.precollege.tufts.edu/team.

The Furman University Jazz Studies program and the Greenville Jazz Collective are excited to invite high school students to our Summer Jazz Camp at Furman University June 23-27. The camp is designed for high school [and middle school students with approval], and it will include instruction by the best jazz musicians in Upstate South Carolina. We are pleased to include both overnight and commuter options. Students will perform in small and large

jazz ensembles and receive instruction on improvisation, jazz history, jazz theory, and instrument-specific topics. We will also have nightly concerts featuring our clinicians and the Greenville Jazz Collective Big Band. The cost is \$575 per student for overnight and \$455 for commuter students, but the Greenville Jazz Collective is offering scholarships based on need. To apply for or inquire about scholarships, email JazzCamp@greenvillejazzcollective.com.

Students can explore different career paths and majors, live on a university campus, and challenge themselves with Rochester's Pre-College Programs. Our summer programs give students the freedom to experience Rochester's unique curriculum and join others from around the world. Pre-College Programs not only give students a taste of the college experience, but they also introduce them to unique perspectives, cultures, and ways of thinking about the world. Encourage your students to check out Rochester's programs for next summer. Questions? Contact us at (585) 275-3221 or precollege@rochester.edu.
