STUDENT ANNOUNCEMENTS [GENERAL]

March is Women's History Month

Women's History Month is an annual celebration observed during the month of March in recognition of the specific achievements women have made in a variety of fields and the broader contributions of women to the world. One way to celebrate: write an essay about three inspirational women and their impact on your life for the **media center's monthly writing contest**. Prize: \$300. Due date: Wednesday March 27th @2:30. Come by the media center for the official prompt and rule.

Broughton DECA competed for the 1st time in almost 10 years at the State level. There were over 5k students in attendance. Broughton had several medal winners, including 3 students who qualified for the International Competition in Anaheim, California next month. Congratulations to everyone who competed.

Broughton has had a Clear Bag Policy all year. All other high schools will have to enforce the Spectator Event Bag Rules to begin March 1. As a part of the new rules, spectators will be permitted to bring into events one clear bag no larger than 12" x 15" x 3" as well as:

- A small, clear clutch bag/wristlet;
- Bags containing medically necessary items for that attendee's assistance (e.g., an oxygen tank); and
- Diaper bags.

Full rules and FAQs are available at wcpss.net/bagrules. Please read if you bring camera equipment or any other items to games.

Broughton's 3rd Annual Arts festival is April 27, 11-3p. If you would like your club to have a booth, or have your OWN booth, at the festival there is a booth sign-up <https://forms.gle/YkmuXXYVU29kVMQ46>. The booth is \$35 if you are selling items. (No food can be sold at the festival). Questions? Reach out to Jodi Aker

Calling All Teens! Register for the Commute Smart Ambassador Academy

The Commute Smart Ambassador Academy is now open for Raleigh teens ages 13-15. It is centered around transportation design, history, equity, and more. The goal of the program is to engage teens in activities and lessons around transportation issues and topics so they can become ambassadors for their peers and encourage the use of alternate forms of transportation whenever possible. Upon graduation from the academy, participants are awarded a free bicycle fitted to them. This is the second year of the program with last year's inaugural program being a huge success with positive feedback from both students and parents. You can learn more and register [here](#).

WorldStrides Educational Travel & Experiences-- **Veterinary Academy**: A program designed to give high school students the opportunity to learn from teaching veterinarians and seasoned animal care and conservation professionals as they witness firsthand the behind-the-scenes moments in a working veterinarian's life. Participants earn up to 60 veterinary hours - a required part of every vet school application. Program options include Dolphin Conservation & Research, Dog Sanctuary & Wildlife Rescue, Horse & Large Animal Medicine, Zoo Medicine & Management, Elephant Sanctuary & Dog Rescue, etc. Looking for participants who have an interest in the fields of science, medicine, and animal studies. If interested in being nominated, see Mr. Rudder in the Guidance Resource Center [Room 1209]. Deadline date: March 22, 2024.

The International Baccalaureate Diploma Programme is an excellent opportunity for 11th and 12th grade students to develop their thinking, research, writing, reflective, and organizational skills across a range of subjects and earn advanced university standing. There will be information sessions for prospective students during both lunches in Pod 2-4 on Mar 4, Mar 6, and Mar 14. For more details, please view the Broughton IB website, <https://sites.google.com/wcpss.net/broughton-ib/welcome>.

2024 SUMMER OPPORTUNITIES

Dates

Week 1: June 10-14

Week 2: June 17-21

Week 3: June 24-28

Week 4: July 8-12

Monday - Friday

9am - 4pm

IMPACT Camp provides Triangle high school students with a local week-long summer service experience. Together, a diverse cohort of participants learn about the issues facing their community by visiting different community organizations, working on a variety of service projects, hearing from community leaders, and engaging in reflection activities. There are four weeks of IMPACT Camp, each focused on a different issue in the community.

Tuition: \$450 for the week (reduced to \$400 for multiple students from one household)

Age: Rising 9th thru 12th grade students

[Learn More](#)

Model United Nations Week

In an adapted Model UN simulation, students take on the role of UN ambassadors and learn the fundamentals of diplomatic debate. Students think critically, act collaboratively, and together develop solutions to today's most pressing global challenges. The Center is partnering with UNC-Chapel Hill's own Model United Nations Club to facilitate this week.

Dates: July 22-July 26

Monday - Friday

9am - 4pm

Tuition: \$575 (or \$515 if also registering for CELI or more than one student per household)

Age: Rising 10th thru 12th grade students

Learn More and REGISTER NOW, click [HERE](#)

Civic Engagement Leadership Institute (CELI)

CELI is an intensive week-long summer enrichment experience that empowers high school students to impact Triangle communities through socially conscious thought and action. By exploring the root causes of social issues, working with nonprofit agencies, and creating Capstone service projects, students develop the knowledge, skills, values, and motivation to help shape the future of the Triangle and beyond. One Capstone project also gets funded!

Dates: July 22-July 26

Monday - Friday

9am - 4pm

Tuition: \$575 (or \$515 if also registering for Model UN or more than one student per household)

Age: Rising 10th thru 12th grade students

Young people interested in summer job opportunities at the YMCA:

Our Summer Day Camps at the YMCA are hiring! We need counselors who have a passion for working with young people (ages 4 - 15). **Counselors 16 or older looking for a summer job with availability during the summer that LOVE kids!** Summer Camp will run from June 17 – August 16. This is a 30-40/hour (8 am – 5 pm) a week seasonal position where staff will work 4 days throughout the week with 1 day off. We ask for staff to be available for at least 6 weeks of the 9-week summer. What does a counselor do? We tell our staff that they “get paid to play!” Staff get to hang out and play with kids, do arts and crafts, and be a role model for younger campers!

How do they apply?

A summer program hosted by Duke: The Summer Training in Academic Research (STAR) Program provides a high-quality research experience for undergraduate students, **high school students**, and middle and high school teachers during the summer academic break. The eight-week program will give participants who are interested in science and medicine real hands-on experience in research methodology and writing. Participants are placed in teams and matched with Duke faculty mentors to work on an original, hypothesis-driven project, originating as a one-page summary and culminating in a complete research paper. A goal of the program is to have every participant qualify for co-authorship on a peer-reviewed manuscript related to their team's project. The STAR Program is held at the Duke Clinical Research Institute in Durham, N.C., which has organized educational and support programs for junior faculty, fellows, residents, and medical students as well as high school and college students. *Participants receive a stipend to attend, which makes the program an option even for students who planned to work over the summer break (see below).* Summer 2024 applications period is from Nov. 20, 2023 thru Jan. 05, 2024. There will be no extension. The program will take place on June 24 to August 2, 2024. Questions may be submitted via email (dukestarprogram@duke.edu).

Give the Gift of Leadership

Applications are now open for the Young Women's Leadership Institute at Saint Mary's School, a two-week elite summer camp with Duke University. Featuring top women leaders, we empower high school girls through extensive leadership training and skills enhancement.

The University of Chicago's summer pre-college programs draw from the multidisciplinary emphasis and intellectual richness of the College's Core curriculum. Whether it's creative writing, economics, or molecular engineering, students can find a formative college-level experience on campus this summer. Programs with in-person and online courses include Immersion, Enrichment, Stones and Bones and Summer Online. To learn more about the full list of in-person and online courses, application deadlines, program dates, tuition, and scholarship information, visit www.summer.uchicago.edu.

Tufts Pre-College Programs offer ambitious high school students the opportunity to learn from renowned faculty and experience a rigorous academic environment at a leading higher education institution. We are excited to welcome students to campus this summer for over 20 programs, including our new offering -- Engineering with Artificial Intelligence. Our offerings span across a wide array of subject areas from engineering, studio art, coding, entrepreneurship, international relations, leadership, and so much more. For more information, visit www.precollege.tufts.edu/team.

The Furman University Jazz Studies program and the Greenville Jazz Collective are excited to invite high school students to our Summer Jazz Camp at Furman University June 23-27. The camp is designed for high school [and middle school students with approval], and it will include instruction by the best jazz musicians in Upstate South Carolina. We are pleased to include both overnight and commuter options. Students will perform in small and large jazz ensembles and receive instruction on improvisation, jazz history, jazz theory, and instrument-specific topics. We will also have nightly concerts featuring our clinicians and the Greenville Jazz Collective Big Band. The cost is \$575 per student for overnight and \$455 for commuter students, but the Greenville Jazz Collective is offering scholarships based on need. To apply for or inquire about scholarships, email JazzCamp@greenvillejazzcollective.com.

Students can explore different career paths and majors, live on a university campus, and challenge themselves with [Rochester's Pre-College Programs](#). Our summer programs give students the freedom to experience Rochester's unique curriculum and join others from around the world. Pre-College Programs not only give students a taste of the college experience, but they also introduce them to unique perspectives, cultures, and ways of thinking about the world.

Encourage your students to check out Rochester's programs for next summer. Questions? Contact us at (585) 275-3221 or precollege@rochester.edu.

The Cooper Union Summer Art Intensive offers high school students (rising sophomores to seniors) the opportunity to immerse themselves in art making in an art college environment with professional instruction alongside classmates who share their passion for art and design. Current Cooper Union undergraduates serve as teaching assistants to support student success and enrich the student experience. Students in the program choose from the concentration sections with courses in Drawing, Animation, Digital Photography, Graphic Design, Studio Practice (for rising seniors). All students will participate in field trips to museums, galleries, and artists' studios. In the final week of the program, an exhibition will be mounted showcasing program-created work and for the celebratory opening event we will invite family, friends, and colleagues to view and congratulate the artists. All materials and museum entry fees are included in tuition.
