GLOBAL POINTS OF PROGRESS - Southern Ocean: An estimated 1,000 fin whales were sighted in the same waters where whaling brought them to near extinction last century. These long, sleek creatures are normally observed in groups of between two and seven.

STUDENT ANNOUNCEMENTS [GENERAL]

Beginning today, masking for students, staff, and all visitors will be recommended but not required during the instructional day and at all school activities. AS we prepare for this new transition, I know there are a wide range of emotions about this change, and I know we'll rise to this new change just as we've done every other change in the past two years! Dr. Ashburn

WCPSS has recommended that masks be worn; however, each individual including students, staff, and visitors can choose whether to wear a mask or not. Staff may not direct students to mask nor can they group students by masked or unmasked individuals. For clarity, any student or staff who is returning from test positive for COVID will be required to wear a mask for the five days after her/his quarantine. BEING RESPECTFUL IS REQUIRED. There will be varying degrees of comfort with this change. Some people are excited to take masks off while others are very apprehensive about this new change. Regardless of what choice each individual makes, we must be kind and respectful of each person's decision.

Water fountains are open again and students do not need to use cups.

CAPS Camp: The Caps Camp tradition continues! We will have Caps Camp on Friday, April 1st after school and Saturday, April 2nd all day at Broughton. Caps Camp is open to ALL Broughton students who want to have fun, make new friends, learn about themselves and others and forge a stronger connection to our school. Activities include skits, games and boundary breaking conversations, among others. One goal of Caps Camp is for students to meet and get to know others who they may not normally cross paths with during a typical school day. Our student leadership staff is working hard to plan this year's activities and are looking forward to a unique, fun weekend at school. For students to attend, they must complete a google form beginning on March 1st and running until March 14th. The cost will be around \$50 and scholarship funding is available. (The costs include a few meals, T-shirts and other materials) Questions? Contact Teacher and Adviser Dave Corsetti at dcorsetti@wcpss.net.

Are you interested in music? Check out the Flyers around school regarding registration information for Piano Lab and Music Appreciation.

SUMMER OPPORTUNITIES

[Link to the list that is posted on CFNC with summer enrichment opportunities]

<https://www2.cfnc.org/studentEnrichment>

The Broughton Travel Fellowship Selection Committee has decided to hold a selection cycle for Summer 2022. Applications are now open and will close on midnight, March 4th. The BTF provides funding and support for JUNIORS DEMONSTRATING FINANCIAL NEED to travel internationally during the summer prior to their senior year. The BTF covers all costs associated with the trip and there is no financial obligation for the student or the student's family. Applicants must be a Junior in high school, demonstrate financial need, remain in good academic standing, maintain character that serves as a model to his or her peers, be willing to document his or her experience and be willing to speak publicly at Broughton about his or her experience to the student body. There is no GPA requirement. Fellows will be selected based on a combination of demonstrated achievement [academic and extracurricular] as well as the potential for achievement in the future.

To apply, students must submit an application through the website www.broughtontravelfellowship.com. Applicants are asked to submit a letter of recommendation with the application. The letter may be written by a teacher, school counselor, mentor, community member, sports coach, etc. For more information, email broughtontravelfellowship@gmail.com.

N.C. A&T University is excited to let you know that we are now accepting applications for the 30th annual [Summer High School Transportation Institute](#) (STI). The four-week program is packed full of fun and educational activities, including guest speakers, group projects, and trips, and designed to be a bonding, rewarding, and even life-changing experience for young minds. STI is free and introduces students to the educational paths and fields of transportation and supply chain and the many lucrative careers available. For the first time in two years but in keeping with the program's tradition, we are happy to announce that STI will be held in person on the A&T campus this year. All rising 11th and 12th graders with a 2.5 or greater GPA are welcome to apply! Don't hesitate to contact Nick Allen if you have any questions (336-285-3314 or nralen1@ncat.edu). [Applications due by April 15th available here.](#)

This summer, Marist is offering 23 unique [In-Person and Virtual Summer Pre-College](#) programs, giving students the opportunity to earn three transferable college credits while they're still in high school! Some of our 2022 Summer Pre-College programs include:

If you're looking for a way to help your college-bound high school students make important decisions about life after high school, encourage them to join us at Rochester Institute of Technology this summer for [Explore Your Future!](#) EYF is a week-long, on-campus summer program for college-bound deaf and hard-of-hearing high school students who will enter their junior or senior year in fall 2022. During EYF, students learn how their interests can lead them to a career, and they explore career options in various fields, including the arts, business, computers, engineering, science, and more specific topics, such as the internet of things, 3D printing, entrepreneurship, emotional intelligence, and biology. Students who attend EYF receive an application fee waiver to apply to RIT at no cost, and those who enroll at RIT for college will receive a scholarship. That's right, when they participate in EYF, they can apply to RIT for college at no cost, and they'll receive a scholarship! There are two EYF sessions. Your students can choose the session that works best for them. Session I: July 9-14; Session II: July 16-21. Students who participate in EYF this summer will meet other deaf and hard-of-hearing students from all over the country, and it's a wonderful opportunity for them to make new friends! [Check out EYF](#), and encourage your students to [apply today!](#) If you have any questions, contact us at 585-475-6700, toll-free in the U.S. and Canada at 1-866-644-6843, by videophone at 585-743-1366 or by email at EYFinfo@rit.edu.

Oxford Royale Academy's International Summer School 2022 on the campus of the University of Oxford. Participants choose from 19 fascinating courses, taught by experts in their field. Students live, dine and study on the campus of the University of Oxford with people from all over the world. Apply at www.oxford-royale.com.

The University of the South would like to invite students to join our [Chinese Language Camp](#)! The program's primary goal is to immerse students in the language and culture of China, while enjoying Sewanee's 13,000 acre campus.

When: June 15 - July 1, 2022

Where: The University of the South, Sewanee, TN

Who: Rising high-school sophomores, juniors and seniors. Experience with Chinese language is not required.

Students participating in the program will spend a few hours in the classroom each day, before taking their learning outside and enjoying the many outdoor activities available during the summer at Sewanee in an immersive language environment. Given the immersive environment, all students are encouraged to apply. Students should be prepared for a variety of outdoor activities including swimming, hiking, rock-climbing, hiking, gardening, caving, camping, and more! For more information about the camp as well as scholarship opportunities, students can visit the Sewanee Chinese Language Camp [website](#).

SCAD Summer Seminars. Connect with creatives from around the world. During the weeklong program, participants choose two workshops from a palette of award-winning academic programs, including animation, fashion, film and television, graphic design, illustration, interior design, photography, sequential art, and more. For more information, visit www.scad.edu/sss.

The University of Chicago's summer pre-college programs draw from the multidisciplinary emphasis and intellectual richness of the College's Core curriculum. Programs with in-person and online courses include:

Immersion: Course subjects include American politics, biotechnology, developmental psychology, philosophy, physics and more.

One-Week Enrichment: Whether it be leadership, civil discourse, or quantitative analysis of complex problems, each program will advance and enhance skills that students can apply to their studies in high school, college, and beyond.

Stones and bones: Students go behind the scenes at the Field Museum - one of the world's great natural history museums - and into the field in Wyoming to learn how fossils are collected, analyzed, and conserved.

UChicago Summer Online: From anywhere in the world, students can explore subjects like biochemistry, art, and quantitative finance through five-week courses involving real-time interaction, engaging class discussion, and group projects.
