One of the main events sponsored by UNC's Order of the Bell Tower every semester is Shadow Day, in which high school students are invited to campus to attend class with a UNC student, take a tour, eat in our dining hall, and learn more about Carolina and college life. It is a great opportunity, and we really enjoy the experience! However, due to ongoing COVID-19 concerns, this semester's program has been reimagined into a virtual student panel – the program will take place on April 24th, 2022, and will be from 4 PM to 5 PM. Students will be able to listen to current OBT members who have a wide variety of class years and majors of study, and students will be able to ask questions towards the end. Attending the event is absolutely free and students are not committing to anything by coming. All they will need is a device with Zoom and a stable Internet connection. For the Spring Shadow Day, we would like to invite juniors who hope to attend Carolina or another university and plan to apply in the next application cycle. We want to equip them with the tools necessary to prepare them for the upcoming year, as well as to help them make the best college decision, whether that be at Carolina or somewhere different. I've linked the registration form below. Please send this out to whoever might be interested in attending our Student Panel.

During the program, students will meet with admission, scholarships and financial aid counselors, as well as current college students, academic advisors, professors and career counselors. AsULead takes place on Appalachian's campus July 25-28, and the deadline to apply is Tuesday, May 10.
