We are a private residence hall near NC State that provides housing for surrounding students from nearby colleges. We also have a dining facility that is conveniently located on the 9th floor called Cloud 9. As the summer gets closer, we are gearing up for summer camps and are looking for motivated, energetic, and hardworking individuals to join our team. We train everyone with or without experience, some residents who are leasing with us also work for Cloud 9 and this is their first job. Every employee has an opportunity to receive ServSafe certification, free meals, and opportunity for growth with our company. If you do have students who are interested in joining our team, please have them contact me through email or phone. I will set up a time to personally meet each of them and tour our facility.
