The Phi Lambda Chapter of Alpha Phi Alpha Fraternity, Inc. is sponsoring a National Black Scholars Signing Day Program. It is a program allowing students to announce the college of their choice. It is an amazing program that will be held Sunday, June 2 (3pm) at Watts Chapel Missionary Baptist Church in Raleigh, NC. A good meal will also be served as well. Students can register online at www.nationalblackscholars.com. The deadline to register is May 26th. If you have any questions, please feel free to contact the Coordinator, Shelton Ford, at 919-395-9135.

Broughton has been asked to nominate rising-seniors for the [Discover Swarthmore \(DS\) fly-in program](#). Discover Swarthmore is an all-expenses-paid visit to one of the best liberal arts and engineering colleges in the country. Prospective students get a taste of the college experience, including the opportunity to meet current students, learn from faculty members, eat in our dining hall, and spend a few nights in our residence halls with student hosts. This fall we are hosting Discover Swarthmore programs on September 19-21, 2019, and October 29-31, 2019.

The selection committee prioritizes applications from students with the following characteristics:
Underrepresented students (African-American, Asian-American, Hispanic/Latino/a, Middle Eastern and North African, and Native and Indigenous American)

- First generation in their family to attend college
- Low-income students (Pell-eligible, free/reduced lunch, etc.), and students who might not otherwise be able to afford a trip to campus
- [Rural and small town students](#)
- [Undocumented and DACA-eligible students](#)

Additionally, we invite applications from any rising senior who is interested in attending, regardless of demographic or economic background. If interested in being nominated, see Mr. Rudder in the Guidance Resource Center [Room 1209].

Nominations are due by June 17, 2019.

Stough Elementary. We are having a 50th anniversary party this year and are looking for high school volunteers to help run some games and booths for the students. We will probably need no more than 12 volunteers. Do you have students or clubs who might like to participate? Here is a link with more information about the event. It is on Thursday, June 6 at 5:30 (4:30 set up time).
