Have a student with an intellectual disability who is interested in college? Open House is the best way to learn more about the UP Program, a 2-year fully inclusive program for college-aged students with intellectual disability. Why choose the UP program over other inclusive post-secondary education programs? We are the first accredited post-secondary education program in the country! This means that we are the first program (of over 300) in the nation to get accredited! Check out why accreditation is so important and exciting here:
