GLOBAL POINTS OF PROGRESS - Lesotho: Kick4Life Football Club became the world's first top-tier soccer club to fund men's and women's teams equally, a decision the club hopes will inspire other leagues to step up on behalf of women's sports.

Since Kick4Life's women's team was founded in 2010, it has rapidly grown into a competitive soccer team while challenging gender stereotypes in Lesotho and beyond. The decision to match funding for the men's and women's teams is especially poignant as the pandemic has put a financial strain on global sports.
