This free service to students is sponsored by the PTSA. Students may drop-in any day to get caught up on work, use resources to finish projects, or work on missing assignments or assessments. Peer tutoring will also be available later in the school year. For more details, click [HERE](#).

Students will follow an approved schedule provided at the beginning of the school year based on their course requests from Spring. Schedule adjustments will only be considered for the following reasons during the first five days of the school year:

- Student has duplicate courses
- Student has already received credit for the course
- Student has not met the prerequisite for the course
