The assignment is to go to Code High School and work on the Karel the Dog Assignments.
You are to learn simple programming techniques to introduce you to Java and get you used to coding in this language.
Simply create an account and (Google works) and go through Lesson 1 Karel the Dog.
https://codehs.com/go/5BA24

If you have registered for a summer NCVPS online course, please see Dean Sauls for your course login information as soon as possible.

Calling ALL STUDENTS: Have you heard about Wake Tech's 16 summer camp courses? Video gaming, app development, photography and so much more? Check them out at waketech.edu/summer-camps.

Help support the WELL by joining us on Saturday, June 15th at Wake Med Soccer Center for the Charity Distance Festival! If you use the link below to sign up for the 5k or 8K an additional $10 of your registration will be donated to the WELL. Invite your friends and family to run together! If interested, visit https://runsignup.com/Race/Register?raceId=43695&raceRefCode=Cl9Vmx7w to register.

STUDENT ANNOUNCEMENTS [JUNIORS & SENIORS]

All senior book and fees due.

Seniors who have not yet found a college for fall, please consider the College Redirection Pool (CRP). The CRP runs April 1 through August 31 to provide students with an additional opportunity to be

matched with a North Carolina college or university that still has enrollment openings for the upcoming fall. The CRP module was established primarily to assist students who have been denied admission from the institution of their choice and are seeking opportunities to pursue higher education in the fall. The goal is for every student in the College Redirection Pool to be contacted by at least one of their local schools. This is a great way to match students looking for somewhere to enroll with campuses that still have available spaces in their fall term.
