Parents,

One of the most invaluable ways our students learn is through firsthand experience. As a member of the Broughton Global Magnet student body, your student and family are eligible to immerse yourselves in international travel to experience the culture and ecology - and fun! - of Broughton's Costa Rica Eco Tour. The tour is led by an expert native Costa Rican guide who teaches about the social and ecological aspects of this peaceful Central American nation. Explorica educational tours has been leading school groups on this tour for many years, and I'm so pleased to offer this trip to Broughton students and families again! Please visit <http://www.explorica.com/Woodall-57> to learn about all the opportunity that awaits: volcanoes, kayaking, hiking, rainforest zip lining and so much more! A parent meeting will be held on THURSDAY, FEBRUARY 28TH AT 6 PM in room 1402. Payments start at \$148 so don't delay! Questions? Email Ms. Felicia Woodall, Broughton Environmental Science teacher at fwoodall@wcpss.net.

STUDENT ANNOUNCEMENTS [JUNIORS & SENIORS]

Swarthmore College has asked Broughton to nominate students for their [Discover Swarthmore \(DS\) fly-in program](#). Discover Swarthmore is an all-expenses-paid visit to one of the best [liberal arts](#) and engineering colleges in the country. Prospective students get a taste of the college experience, including the opportunity to meet current students, learn from faculty members, eat in our dining hall, and spend a few nights in our residence halls with student hosts. While the fall 2019 program dates have not yet been finalized, we plan to offer two DS programs to give students maximum flexibility. Last year, we hosted programs in mid-September and early November. Discover Swarthmore is open to all rising high school seniors. The selection committee prioritizes applications from students with the following characteristics:

- Underrepresented students (African-American, Asian-American, Hispanic/Latino/a, Middle Eastern and North African, and Native and Indigenous American)
- First generation in their family to attend college
- Low-income students (Pell-eligible, free/reduced lunch, etc.), and students who might not otherwise be able to afford a trip to campus
- [Rural and small town students](#)
- [Undocumented and DACA-eligible students](#)

Additionally, we invite applications from any rising senior (U.S. citizens, Permanent Residents, and undocumented/DACA students attending school in the United States) who is interested in attending, regardless of demographic or economic background. Swarthmore supports all forms of diversity, including—but not limited to—racial, ethnic, ideological, sexual/gender identity, geographic, and religious diversity. Nominations are due by June 17, 2019. If interested in being nominated, see Mr. Rudder in the Guidance Resource Center, Room 1209.

Seniors planning to attend NCSU, Meredith or Wake Tech: **Looking for college housing?** A representative from THE STATION, cottages & townhomes, located on Trinity Road will be at Broughton on Wednesday, February 27, to discuss college housing.
