GLOBAL POINTS OF PROGRESS -Thailand: An electric car designed to float in floods is hitting the market. During Thailand's rainy season the country's roads are prone to flooding. The country is also vulnerable to tsunamis and experienced a major one in 2004. The microcars can drive 100 miles between charges, and while they aren't intended to be true amphibious vehicles, they are equipped with waterproof batteries and are buoyant enough to float in an emergency. A Japanese automotive designer worked with a Thai investor to bring the vehicles to production.

Parent Volunteers Needed for Resume Writing Workshop:

The Broughton Business Alliance will be offering a Resume Writing Workshop for students in grades 10 - 12 on Friday, March 15 during 3B and 4B class periods (*students should register for the event by going to tinyurl.com/resume-write*).

Parent and Business Volunteers are needed to help critique and edit student resumes. Directions to volunteers will be provided prior to the start of each session. Volunteers can register to attend one or both sessions: (Session 1: 10:05-12:05 Session 2: 12:15-2:15). Volunteer Registration: tinyurl.com/Volunteer-ResumeWS. Please email Rebecca Davis with any questions (rdavis9@wcpss.net). Thank you for your support!

Do you know who funds new computers and iPads at Broughton, or models for the human anatomy classes? Where do funds come from to start a Chess Club, or to send theater students to Scotland for a Shakespeare festival? Where does our staff turn when sports facilities need repairing? The answer is frequently the Needham B. Broughton Capital Foundation. Now more than ever, Broughton needs your help. As public funding and administrative support declines, Broughton must work even harder to provide enrichment opportunities and continue the standard of excellence that typifies our traditions.

The Foundation is hosting **Broughton's Celebrating 90 Birthday** party on March 23rd at The Fairview in Raleigh. We hope you'll consider *sponsoring at one of the various levels ranging from \$500 to \$10,000*.

Non-sponsor tickets are also available for \$60 - \$150 per person. We hope you'll come and enjoy the food, fun and Broughton festivities.

Please visit www.NBHSCapitalFoundation.com for information about party tickets, sponsorships and the Capital Foundation in general.

TICKETS MUST BE PURCHASED IN ADVANCE. DEADLINE IS March 6th

2nd Annual Cinderella Project. Prom season is rapidly approaching, but before you drop hundreds of dollars on a new dress and tuxedo rentals, I would like to encourage you and your students to both donate and take advantage of the Cinderella Project. Last year, we received over 600 plus dress donations so there is something available for everyone! This year, Wake County Student Government is hosting the 2nd Annual Cinderella Project at Broughton from March 20th to the 22nd. We are accepting lightly used prom dresses, men's formal wear, jewelry, ties, make up, cufflinks, dress shoes, etc. Donations can be dropped off outside of Pattisall-William's room, 2402. We are also looking for volunteers who will be able to alter clothing on distribution days, collect corporate donations, and, especially, to SPREAD THE WORD! Questions? Please email Jack White, jdbwhite4@gmail.com.

STUDENT ANNOUNCEMENTS [JUNIORS & SENIORS]

Juniors: Dartmouth has asked Broughton to identify some of our stand-out rising minority rising seniors as candidates for their three-day residential college-access program scheduled this July 15-17. Dartmouth covers all costs associated with the program, including round-trip transportation to and from Hanover? If interested in being considered, see Mr. Rudder in the Guidance Resource Center, Room 1209. Deadline: Friday, March 15.
