It is the advisor's responsibility to oversee the painting of the rock. The rock may only be painted with the design illustrated below (you may attach a separate piece of paper with design on it if needed). No other property may be painted. The painting of the rock is to promote school spirit and events and may not be used for personal messaging. All approved paintings will remain on the rock for the length of time requested above (based on demand and availability). Organizations are responsible for their own supplies. The advisor's signature below indicates his/her understanding of his/her responsibility in ensuring these guidelines are followed. Forms should be submitted to Mr. Johnson or Mr. Turley to be approved by Student Council and School Administration. Club advisors will be contacted upon approval.
