If the candidate desires to withdraw during the middle of the year, the candidate must remain in his/her IB courses until the end of the year; however, the candidate may withdraw from TOK (subject, not class), EE, and CAS. Once the student withdraws from TOK, EE and CAS, they may not re-enroll in the IB Diploma Programme. ### Exam Fees

\$119 IB Exam Fee (minimum of 4 exams in Senior year; up to 2 exams possible in junior year)

This exam fee applies to the May 2020 session only and is subject to change. The state of North Carolina currently pays the exam fees. Any reimbursed fees collected will be collected either in cash or personal check, made payable to Enloe High School.

### Managebac Fees

Managebac is an integrated learning platform providing students with the ability to track and document their Extended Essay work and CAS experiences. Additionally, students will have access to each IB course for which they are registered and will utilize the platform to submit assessment work to be scored by IB examiners. Each candidate will have a Managebac account. Fees for access to Managebac change yearly based on the number of candidates in the programme, however, fees generally range from \$15 to \$20 per student. Fees are collected in February and can be paid in cash or personal check, made payable to Enloe High School.
