

meet MS. MOONEY

Hello! My name is Ms. Vicky Mooney. I am a Kindergarten Teacher at Dillard Drive. I am a visiting international teacher from Birmingham, England. I have lived in several places in the UK including: Stourbridge, Hay-on-Wye, Holsworthy and Lancaster. I now live in Cary with my hamster, Boris. As part of my role here, I am helping our students at Dillard exchange with students from across the globe and developing our students' global education. I enjoy travelling, painting, drawing and football! I am so excited for this school year!
