

# meet Mrs. Ramesh

Hello ! I am an Instructional Assistant at Dillard Drive. I grew up in South India and from Bangalore City. My favorite place is my hometown where I was born and raised. Now, I live in Apex with my husband Ramesh and my two daughter's Krithika and Nithya and our dog Coco. I enjoy my leisure time doing cooking, drawing, painting and gardening. I like to relax by doing Yoga and meditation and going for long walks and do Zumba. I love to read motivational books and watch movies and spend quiet time at the beach.
