I am writing this letter to let you know that A.B. Combs has been designated as a Targeted Support & Improvement Additional Targeted Support (TSI-AT) school by the North Carolina State Board of Education. Per ESSA Section 1111(d)(2), schools are identified as TSI-AT schools in North Carolina because one or more of the following subgroups received a subgroup performance grade score at or below the highest identified CSI-LP school's All Students group during the identification year; and is on the TSI-CU list for the subgroup(s) for the previous year. Subgroup performance scores are provided for the following subgroups: (1) Students with Disabilities, (2) Economically Disadvantaged, (3) Black, (4) White, (5) Hispanic, (6) Asian-Pacific Islander, (7) Multi-racial, and (8) English Learners. This letter is to notify our parents and guardians of A.B. Combs's intentions to improve educational outcomes for underperforming student subgroups and close achievement gaps for all students.

As a TSI-AT (ATSI) school, A.B. Combs is required to develop an Additional Targeted Support and Improvement (ATSI) plan that specifically addresses how the school will improve outcomes for underperforming subgroups. The plan will also include strategies that our district or charter will employ to support Insert the name of the school's improvement efforts. The ATSI plan will address the following areas:

- Classroom Management
- Standards-aligned Instruction
- Professional Learning Communities (PLCs)
- Instructional Leadership
- Recruitment & Retention of Effective Teachers
- Support for Grade-to-Grade Transitions
- Implementation of a Tiered Instructional System
- Data-Driven Decision Making
- Student Support Services
- Family and Community Engagement

We have set the following goals for Insert name of the school this year: By June 2024, Combs will meet or exceed growth in all subjects/grade levels according to the Education Value-Added Assessment System (EVAAS) and increase overall proficiency from 66% to 75% as measured by EOG.

Here are some strategies that we will be implementing to improve student outcomes:

- Standards-aligned units of instruction for each subject and grade level
- Differentiated instruction to meet the needs of all students
- Data-driven conversations to identify students in need of instructional support or enrichment

Also, parent engagement is at the heart of our school improvement efforts. Here are some ways we can work together:

- Ensure that both you and your child know the academic expectations set for your child this school year. A list of learning objectives in student-friendly language is available from your student's teacher(s).
- Contact your child's teacher if you have questions or concerns about your student or to set up an appointment to meet with a school staff member who will be working with your child.
- Make sure that your child is prepared and attends school each day.
- Monitor your child's homework.

We are committed to improving student performance. It is important to remember that just as no single score or grade tells the whole story of a student, neither does it tell you everything about a school's performance or the opportunities that our school provides. The intent of receiving these designations is to improve educational outcomes for all students, close achievement gaps, increase equity, and improve the quality of instruction. We're excited about this school year and are working to make it a success for your child.
