

Dear Families,

Wake County Public Schools is launching a districtwide family survey to learn more about you and your child's experiences in our schools. Your responses on this survey will be anonymous and only reported in combination with other responses. No one will be able to see individual responses from any parent or guardian.

Please take 10-15 minutes to complete each survey between now and **May 4th, 2018**. If you have more than one child enrolled in the same school, please fill out one survey thinking about the experiences of your oldest student in that school. Your honest feedback is essential as we work to create the district, school, and classroom environments that are most supportive for our students.
