Aviator News

The 2019/20 school year is off to a great start! The Back to School Bash and PTA ice cream social were a huge success, and we have many more exciting events planned as we celebrate the 50th anniversary of Adams Elementary. New to Adams Elementary this year is the Dream Lab, where students are involved in STEM and project based learning activities as part of their specials rotation. We have also been fortunate to welcome new staff members who have fit right into our Aviator family. We cannot thank our parents and PTA enough for their support as we work together to meet each child's needs.

Jonathan Hegedus, Principal

Thank you Adams PTA for the new playground benches and the soon to be installed shade structure!

This year we'll see some changes to the "Pilots of Good Character" character recognition program. We will focus on one character trait per month from August through April. This character trait will be reinforced school wide through classroom instruction and morning meeting activities. Teachers will select students to participate in the monthly character celebration for that trait, and invitations will be sent home. All character celebrations will take place in the media center where we look forward to recognizing your child/ren.

August—Kindness	January—Self –Discipline
September - Responsibility	February—Integrity
