Planning for 2019/2020!

Planning is already underway for the 2019/2020 school year. Next year we will be celebrating 50 years at Adams Elementary and we have exciting things in the works to honor our rich history. As we begin working on track assignments for next year we want to give parents an opportunity to offer input. Please keep in mind there are many variables that contribute to student placement such as class size legislation and keeping siblings on the same track, however we will consider each request and do our best to meet the needs of your family. You can locate the Track Change Request form on the Adams Elementary homepage or the web address below. Please see the office if you need any assistance with this request.

Lend a helping hand

This fall we began the process of painting Adams Elementary and livening up our school. With your help we were able to paint the office and lobby, first grade and specialists hall. We would like to continue this work and tackle the K hallway as well as venture into the 2/3 hallway. If you are able to help on any of the following days, just show up, we will provide you with paint and a paint brush.
