

Aviator News

May 2019

As we enter the month of May, the realities of end of the year testing are quickly approaching. While we know that one test does not accurately portray all the learning that has taken place this year, these tests do provide us with valuable information on how we can continue to grow and learn as a school. Be on the lookout for upcoming spirit week, geared towards getting all students excited about the chance to show off the learning they have done all year. I am confident our Aviators will SOAR on all end of year testing. I am including the EOG testing dates for all 3rd—5th grade students for your planning reference.

Track 1

Tuesday, May 21 - Reading Grades 3-5

Thursday, May 23 - Math Grades 3 - 5

Wednesday, May 29 - 5th Grade only

Tracks 2/3/4

Tuesday, June 18 - Reading Grades 3-5

2019-2020 Updates

All students should have received track assignments, and an invitation to the Back to School Bash to start the new school year. We wanted to let you know this event is a combination of the meet the teacher and open house events from previous years. Please plan to attend as there are many surprises in store! Details can be located on the Adams Elementary Homepage.

Field day takes place this month! Our PE teacher, Ms. Crutcher sent out details along with volunteer request in April. We are looking forward to a fun time for all involved. If you would like to donate bottled water or ice pops, they can be dropped off in the main office. Ms. Crutcher can be emailed at acrutcher3@wcpss.net
