Join us for our Meet the Teacher, Curriculum Fair and Rising 9th Grade Open House! This program includes a general information session for each group of students (rising 9th graders and current WFHS students) and a full curriculum display, highlighting the courses that we offer at Wake Forest High School for the 2024-25 school year. The curriculum booths offer parents and students the opportunity to ask teachers and students from each curricular area about course offerings and content as well as the academic demands of the courses.

Thank you for being a part of this event!
