

**Dear Hilburn Parents/Guardians,**

Our district has purchased DreamBox Learning, a K-8 digital math program that independent studies have found to raise student achievement and better prepare children for future success. At Hilburn Academy, students in grades K-8 will have access to DreamBox, an intuitive math program that supports the core math instruction your student is receiving at school each day.

**Recommended Usage at Home:**

- Elementary: 4-6 lessons per week; 15-20 minutes per lesson
- Middle: 4-6 lessons per week; 20-25 minutes per lesson

**To Access DreamBox on a Browser (Laptop/iPad):**

Your student can access DreamBox Learning from any computer or internet-capable device, 24 hours a day, 7 days a week. All you need is a high-speed Internet connection. If you're using a browser, your student will visit the WakeID Portal. (<https://wakeid.wcpss.net>) Your student will use their WakeID and Student ID number to log in. **Please reach out to your child's teacher directly for their WakeID login information.**

**Create your DreamBox Account to review your student's academic progress at home in your Family Dashboard. Please follow these steps to create your free account:**

1. You will need your child's DreamBox school login information from their teacher to login for the first time.
2. Have your student login to their profile just as they would at school.
3. Click **Setup Parent Access** at the bottom of the page.
4. Follow the instructions provided to create a new login and password.
5. Read Terms of Use and Privacy Policy.
6. Click "Submit".

**Log into your home account after setup:**

1. Go to <https://play.dreambox.com>
2. Enter your email address and password.
3. To see student progress, click the "Family Dashboard" button.

If you have any questions, please feel free to reach out to our school's DreamBox Champion, Kevin Ledger, at [kledger@wcpss.net](mailto:kledger@wcpss.net). Mr. Ledger is our school's K-8 Math Intervention teacher and can support with questions related to this application.
