Select works of art that focus on realistic drawing and design skills. Work should be original (*more than copies of anime and cartoons, etc...*)

This evaluation process is for the following students:

- 1) Rising 9th graders who are talented, mature and motivated who wish to try and move directly into Visual Art Intermediate level so as to be appropriately challenged.
- 2) Rising 10th -12th graders who have been unable to get a Beginner level class AND are talented, mature and motivated and who wish to try and move directly into Visual Art Intermediate level so as to be challenged and to “catch up” with others at their grade level.

Note: Any other movement from one level to another that is out of sequence or consideration of special circumstances will should be evaluated by the Visual Art Department as needed.
