Leesville Road Schools Covid-19 Emergency Fund

On behalf of all 3 Leesville PTA's, we'd like to thank our Leesville families for their generosity in donating to the Leesville Road Schools COVID-19 Emergency Fund.

To date, we have received approximately \$5400 in donations and have approved almost \$2200 in expenses for Leesville families experiencing hardships due to the pandemic.

If you are experiencing a crisis and need assistance including, but not limited to, food insecurity, housing insecurity, and other related challenges, please respond to the weekly survey requesting assistance or reach out directly to your school counselor or Principal. If you are interested in making a donation to the fund, please visit les.memberhub.store. As previously communicated, any funds remaining after the end of the Covid-19 crisis will be distributed between the three Leesville school campuses to replenish the food pantries of each school. Thank you again to all of our generous donors for your support. We are so grateful!

*Per NC PTA bylaws, officers may serve a one-year term with the opportunity to serve two consecutive terms in the same office. The President office has been held by Laura Stanziale for two consecutive one-year terms. The nominating committee has not found a LRMS PTSA member to serve in the office of President for the 20-21 school year and the current slate is open for nominations. If there is no nomination, Laura Stanziale will be voted by the 20-21 Board to remain in the office for a final third one-year term for the 20-21 school year. The nominating committee will continue to actively look for a replacement.
