## Leesville Road Middle Family Update

May 4, 2020

### Leesville Middle Families

Thank you for your continued support of the students as we all learn new skills for remote learning. Please continue to check in with your son/daughter to ensure they are taking advantage of remote learning opportunities. Take care of yourselves and your family. We are thinking of you and hope see you all again soon.

### **Thanks for Taking Care of the Pride**

Spotlight on 8th Graders

## **8th Grade Spotlight on Students**

We are creating a slideshow to honor the 8th Graders from LRMS for the 2019-2020 school year because whenever we return to school, their 8th Grade year was cut short. Click through the images to see all of them or the slide show will run on its own. They are alphabetical by first name and will run until we return to school.

Students, check your school email to find out how to be included or email Ms. Nelson Inelson4@wcpss.net. Tell your friends too - I would love to have something from all of you!

## **Trick Shot Challenge**

Calling all Leesville Lions!!! We are proud to announce our "Trick Shot Challenge". If you have a cool trick shot or difficult skill that you want to show off then now is your chance. This can be any type of shot or skill from any sport or using things you find around your house. Take a video of your shot/skill and upload the video to your Google Drive, then share with Coach Haymore or email the video to jhaymore@wcpss.net.
