- CA-2<sup>nd</sup> Semester  ESL 2<sup>nd</sup> Semester
- Fundamental Math (Teacher Recommendation Only)
- Introductory Math (Teacher Recommendation Only)
- Integrated Reading (Teacher Recommendation-Paired with English I)

### Course Registration Instructions

Students should register for 8 total courses. For most students this will be an English course, a Math course, a Science course, a Social Studies course, Health and PE and 3 electives. If a student is taking two math courses, they would then choose 2 electives. All students must register for 4 alternate electives.

Alternate electives should be chosen carefully as often students do not receive their primary elective choices and are placed in one or more of their alternate selections.

## Electives:

Choose 2 to 3 Primary Electives depending on your Core Course Total and then choose 4 Alternate Electives.

Mark your primary choices with an X and alternate choices with an A

### English Electives

- Trends in Young Adult Literature
- Speech 1
