

Family Updates 4-20-20

Leesville Middle Families

I hope everyone was able to connect with your teachers last week for the first official week of remote learning. Please take care of yourselves and your family. We are thinking of you and hope see you all again soon.

Teachers Share Comments from First Week of Remote Learning

I have met many cool pets and younger siblings this week. I have also been asking students what is working and what is not working and how can we fix it. It has led me to change some of my plans for future online learning. I miss everyone!!

I have enjoyed students giving me feedback in Google Classroom and in Google Meet. I was concerned with this being the first week and them feeling overwhelmed. When I asked what we could be doing better they have all said we (teachers) are doing great! I also used padlet this week!

I posted a FlipGrid this week and I really enjoyed seeing so many of our students faces and hearing their voices discuss Social Studies.
