Taking Care of the Pride

- Teachers and staff are collaborating and planning new strategies for remote learning of new curriculum on April 13th.
- Jackie Sinor and Yearbook Staff for completing the yearbook prior to the deadline!

Teachers Assessing Student Needs

Teachers are contacting families to assess remote learning needs. Many of the contacts have been through phone calls. If you do not recognize the number it could be your teacher calling. Our goal is to work with families to create a plan to support learning for all students. Parents can always contact their teacher or me at ckremer@wcpss.net

Calendar of Events

- Match 30th – April 3rd
 - Teachers continue to provide learning opportunities to engage and gather information for student and family needs.
- April 6th – 10th
 - Spring Break
- April 13th
 - Remote Learning of New Material Begins
