Drive For Pride

We are all experiencing new, peculiar and challenging times. Due to the health & safety restrictions, we are faced with surrounding the COVID-19 pandemic we will have to cancel and move the Drive For Pride Golf Tournament to next year.

We have been working hard to make this a great event for the Leesville community and we were really looking forward to an amazing event on May 8th. We are in the process of issuing refunds to all those that have purchased your entry fees and to those that have paid for sponsorships. You will be contacted by the tournament chairs with details on refunds. We can not express enough how grateful we are for the support and generosity that has poured in from the community. This just means next year will be that much more successful!

We are going to target Friday, May 7th, 2021 for the new date, details will come later this year.

Staff Appreciation Week

This week will look very different than originally planned, but we still want to be sure to thank the LRMS staff for all they are doing to keep our students remotely learning! More details to come in next week's communication, but please consider purchasing a gift card (or two, or three!) for your LRMS staff so they can enjoy a take out lunch or dinner on us! We need 90 gift cards to be purchased, so please visit our online store at <https://lrmsptsa.memberhub.store> to purchase and thank you for your support! **Please note that the gift cards have already been purchased by the PTSA**

Front Office Update

The new furniture has arrived and the front office makeover is almost complete! The office will receive a few decorative updates over the summer and will be completely transformed by the 2020-2021 school year! Here's a sneak peek...
