School Assignments for 2018-19

Yellow Student Assignment Notifications for the 2018-19 school year were distributed last week. If you child did not receive the notification you may contact our data manager, Betty Crawford, at 919-870-4141. Please review the brochure for the information regarding your assignment options and transportation services. If you are satisfied with your assignment, no action is required on your part. Assignment and transportation services are based on the address on the front of your notification. If this address is not correct, please contact Student Services for further instructions. There is only one transfer period this year: February 20 – March 6, 2018. There will not be a transfer period in May.

Parent Education Seminar

The PRSA at Leesville Road High School is sponsoring a Parent Education Seminar discussing some of the relevant and difficult issues that our teenagers are facing today. You are invited to join them for a session discussing substance abuse, social media, bullying, and other destructive decisions that are being made by middle and high school students today, and how to effectively communicate with and empower our teenagers.

The event will take place in the LRHS auditorium on January 30, 2018 from 7:00 – 9:00 pm.

Carpool Reminders

Please remember that all cars are expected to travel through the carpool line until reaching the curb in the front of the school. All students are expected watch for their ride and to remain by the curb until their ride pulls up. There has been a recent increase in parents parking in the lot and then walking up to get their child in order to avoid waiting in carpool. We have also had a few close calls with accidents with both staff and students. This is dangerous and unfair to those who are following the established procedures. Everyone's time is precious and carpool runs better and is much safer, when we all follow these established procedures. Remember carpool is only 15 minutes. Feel free to adjust your arrival time to avoid the line. Thank you for your cooperation.
