# What does Remote Learning Look Like?

## Pre-Recorded Instruction

Any new instruction will be pre-recorded so that students can access on their own time.

## Live Sessions

Facilitated by the teacher at their discretion and used to allow students to interact, discuss, and for the teacher to demonstrate or model concepts.

## Independent Assignments

Assigned by the teacher to the student to continue and support learning. May be online or offline.

## Office Hours

A daily time teachers are readily available to answer students questions via email, discussion board, or video chat.

Google Meet

# Live Sessions

Teachers have the option to host live class meetings using Google Meet. If a teacher chooses to do a Google Meet, it will be at the times indicated on the following schedule. This schedule does NOT mean that teachers will always be live at these times. Live sessions will be announced and posted by each individual teacher and used at their discretion.

Teachers will share expectations for conduct, participation, and engagement during Google Meets.
