### TIPS & SUGGESTIONS: ENGLISH

Many students begin the college application process during the summer. Start thinking about your passions and interests so that you can stand out in your college essays.

Visit this site for suggestions on writing a strong college essay: <https://www.collegeessayguy.com/blog/college-essay-tips>

*Reminder:* Students taking an AP English class next year should be aware that there are summer reading assignments for both AP English III and AP English IV. Keep an eye on the school website. These assignments will be posted soon! The assignments should be completed prior to the first day of class.

Congratulations to our Raleigh Fine Arts short story contest semi-finalists: **Lydia Close and Clavaria Jeffreys**. Out of 748 stories submitted, their short stories were among the 39 selected for the final round of judging.

### HAMLER'S HIGHLIGHTS

Greetings.

Spring has sprung and break is around the corner! I hope you find time over break to relax and enjoy your family.

At Wake Forest High School, we believe parents play a significant role in their child's academic progress, social-emotional learning, and overall well-being. Please use this break to have mindful moments with your children to support their growth! We look forward to our students return from break on Tuesday, April 23rd.

As always, thanks for all you do! Go Cougars!

Patti Hamler, Principal

### STUDENT SERVICES

Advanced Placement (AP) exams will take place May 6-17, 2019 for students who registered. They will be taken at Richland Creek Elementary School. Specific information will be sent to all registered students in late April.
