

## PARENT NEWSLETTER MARCH 2020

### HOW DO I... PREPARE FOR AP TESTING?

March - Advanced Placement (AP) exams will take place the first two weeks in May.

All students who are in AP classes this semester or last had the opportunity to sign up to take the exams for free.

You can have your student log in to his/her AP Collegeboard student account to see if they registered to take the exam(s).

The AP exam schedule is [HERE](#). Testing location will be announced at a later date.

### TIPS & SUGGESTIONS: MATH DEPARTMENT

Next year the state will introduce a new Math 4 course and will phase out the AFM course.

Course sequencing information for the 2020-2021 school year registration process is available [HERE](#).

Course selection guidance for courses beyond Math 3 may be found [HERE](#).

### HAMLER'S HIGHLIGHTS

March is here - did we even have a winter?

March is a lucky month. It is the perfect time of the year to fly a kite. It is the month filled with NCAA Basketball March Madness.

However, March is also the time of the year when students need to be reminded that there is still work to be done, challenges to tackle, and goals to be met. Please continue to encourage your students to stay focused.

Spring is coming - hang in there!

- Patti Hamler, Principal
