

Calling all Kindergartners!

If you have a child who will start kindergarten in the fall, your child may be eligible to attend our Early Start Summer Program. This summer for 3 weeks, your rising kindergartner would receive a jump start in the kindergarten environment. The Early Start Program gives students a chance to get used to school routines and begin learning skills needed in kindergarten. The Early Start Summer Program will be held at Bryan Road Elementary this year from July 15th- July 30th 8:30-3:00, Monday-Friday. Lunch and snack are provided daily, as well as transportation if needed.

Requirements for Early Start: student must be registered as a kindergartner at Aversboro Elementary School for the 2019-2020 school year, are not currently enrolled in a WCPSS school-based preschool program and have attended more than 6 consecutive months, and students must be screened by staff at Aversboro Elementary School.

Once students are screened, a staff member from Aversboro will let you know if your child qualifies for the program.

Please contact the front office at 919-662-2325, or the Early Start contacts: Kayla Rothrock (krothrock@wcpss.net) or Doreen Tyler (datyler@wcpss.net) if you would like your child to be a part of this program or if you have further questions regarding this process.
