Then, students will be taken to a page where they can select their college reporting choices.

The screenshot shows the 'Score Preferences' page on the ACT website. The page has a blue header with the ACT logo and navigation links for 'TESTS & PREP', 'SCORES', and 'PLANS'. Below the header, a progress bar indicates four steps: 1. Info, 2. College Choices, 3. Preferences (current step), and 4. Review. The main heading is 'Score Preferences' with the instruction 'Fill in the information below to complete the registration'. The primary question is 'Where should we send your scores?'. Below this, a note states: 'You can add up to 6 recipients to receive your scores right when they are available. The first 4 are free! List in order of preference (1 = most preferred)'. There are two input fields: 'Browse' and 'Search by Code'. A link 'Can't find it?' is also present. A dropdown menu is labeled 'Select a category to see all its items.' with the text 'Select a category' below it. On the right side, there is a 'Tips & FAQs' section with four links: 'When will I get my scores?', 'How do colleges get my scores?', 'How much does it cost to send my score?', and 'Not sure where to send your scores?'. At the bottom, there are two buttons: 'Back' and 'Save & Continue'.

Next, students will be asked to fill out their notification preferences. (It is encouraged, but not required for students to list a parent or guardian on this page.)
