GREEN LEVEL HIGH SCHOOL
COURSE OFFERINGS FOR RISING 10TH GRADERS
2024-25

When selecting courses for next school year, students will choose a total of **12 unique courses**—8 primary selections and 4 alternate selections. Your primary and alternate selections <u>cannot</u> repeat. Repeating course selections does <u>not</u> increase the likelihood of getting a course.

Please note, honors courses marked with a pentagon (⬠) will also be available at the academic (standard) level. All students will register for the honors version of the course and will be provided the option to opt-out of the honors level at the start of the semester with their teacher. In addition, students should also pay close attention to courses that are marked with a triangle (▲) as they have prerequisites (courses that must be taken before taking that course). More information regarding course prerequisites can be found in the WCPSS High School Program Planning Guide (https://www.wcpss.net/high-school).

Core Courses (CHOOSE 4 PRIMARY)

English (REQUIRED)	Mathematics (CHOOSE ONE)	Science (CHOOSE ONE)	Social Studies (CHOOSE ONE)
