

# Career and Technical Student Organizations

## Green Level CTSO Membership Requirements

To join a CTSO you must be enrolled in a Green Level CTE course that is associated with that CTSO for the **current** school year **or** have completed the CTE Career Pathway paired with that organization. If you have completed the career pathway associated with that CTSO, you are still **required** to be enrolled in a CTE course for the current school year, however, it can be any CTE course that is offered at GLHS.

### Green Level CTSOs
