August 2021

What We're Learning + Things to Try at Home

Letterland: We start the year learning short vowel sounds with the beginning sounds /sh/, /th/, and /wh/. (shell, then, what)

Math: Data/Charts followed by Representing numbers using various strategies.

EL: We start the year learning about many Tools as we work toward making a Magnificent thing for the classroom.

Social Studies: Thinking like a historian using primary/ secondary sources.

Science: Force and Motion

Reminders from the Teachers: Please practice opening/closing containers and water bottles, and tying shoe laces at home. We want to ensure our first graders are independent and responsible students.

Kindness Challenge:

Write a note to someone giving them a compliment.

Upcoming Dates

Track 3 Track In: July 30 - August 23

Track 2 Track Out: August 23 - September 10
