

## Southeast Raleigh Elementary School Title I Family Engagement Policy 2023-2024

**Policy Engagement:** The voices of our families are essential, and we want your feedback. To hear from you all regarding our Title I Family Engagement Policy, we will:

- Provide information about being a part of a Title I school during the presentation given on October 24th.
- Send a copy of the policy home, with a form where feedback can be provided.
- Hold family events quarterly focused on sharing academic progress and building trusting relationships with families.

**Shared Responsibilities for High Student Achievement:** The shared responsibility expectations are reflected in our Family-School Compact. These expectations include the responsibilities of Southeast Raleigh Elementary School staff, students, and families. The necessary partnership between staff and families will be enriched throughout the year by communications regarding student progress.

**Building Capacity for Engagement:** Supporting our families and staff in growing their capabilities for engagement is crucial to our success. To ensure this happens, we will:

- Provide opportunities for Family Conferences and set goals with families during conferences.
- Hold community days where staff will partner with the YMCA and other community partners to engage our families for a time of fellowship.
- Empower our PTA to help family and community members to become well-equipped volunteers.
- Find flexible times to meet with families.
- Have a Family Engagement Committee, which will be the body that guides the work of family engagement at Southeast Raleigh Elementary School. We commit to this being a diverse set of voices at the table.
- Collaborate with PTA to align efforts to most effectively support school improvement.
- Be flexible in communication with families, including but not limited to emails, telephone calls, personal conferences.

**Accessibility:** By providing translation services and offering a variety of opportunities, we hope to build relationships, engage our families and be accessible to all community members of our Southeast Raleigh Elementary School family.
