### GREEN LEVEL HIGH SCHOOL Course Registration Mini Guide 2023-2024

**REGISTRATION CHECKLIST:**

- Review the promotion + graduation requirements.
- Review teacher recommendations and discuss course options with teachers if necessary.
- Access additional registration information online and learn more about courses on the GLHS website.
- Select courses for the '23-'24 school year. Rising 9th graders will do this with their middle school counselors. Rising 10th-12th graders will do this on PowerSchool with the GLHS Counselors.
- Review and discuss course selections with parents/guardians.
- Request a meeting with your counselor to discuss course selections and four-year plan (for rising 10th-12th graders). GLHS counselors will meet with ALL rising Seniors beginning in late March/early April as part of their counselor conferences. Students can schedule these conferences online or attend a Connectivity session during Feb. 28th-March 11th, 2023.

**HIGH SCHOOL GRADUATION REQUIREMENTS:**

Subject	Requirements
English	4 Credits: English I, II, III, IV
Math	4 Credits: NC Math 1, NC Math 2, NC Math 3, and a 4th Math Course to be aligned with the students' post high school plans.
Science	3 Credits: A physical science course, Biology, Earth/Environmental Science
Social Studies	4 Credits ("see applicable notes below") <small>For students who entered in 2013 or before: World History (or AP World History), American History: Founding Principles: Civics &amp; Economics (or Civics), AP American History, American History II (or AP US History &amp; 1 additional social studies elective).                      For students who entered in 2014 or after: World History (or AP World History), Founding Principles of the US/NC: Civics, Liberty, American History (or AP US History), and Economics &amp; Personal Finance.</small>
Healthful Living/P.E.	1 Credit: Healthful Living + AND Successful Completion of CPR requirement outlined in NCES 112C-BL
Additional Electives	10 additional credits with at least 2 elective credits from a combination of CTS, Arts, and World Languages; 2 World Language credits required for minimum application to UNC System Schools.

**PROMOTION REQUIREMENTS:**

High school students are promoted from one grade level to the next by attaining credits that are earned through successful completion of the specific courses illustrated in the table below:

From	Promotion Criteria	Credits
Grade 9 to 10	English II; 2 credits in the areas of math, social studies, or science; and 3 additional credits	6
Grade 10 to 11	English III; 1 credit in math; 1 credit in social studies; 1 credit in science; and 2 additional credits	12
Grade 11 to 12	English IV; enrollment in a program which, if successfully completed, will result in the completion of graduation requirements	18

MORE INFORMATION ON:  
[www.wcpss.net/greenlevelhs](http://www.wcpss.net/greenlevelhs)

WHY IS COURSE REGISTRATION SO IMPORTANT?

Using student course requests, we develop the master schedule for the entire school that not only dictates what classes students end up being assigned, but also how many sections of certain classes we offer, which teachers teach what classes, how many students are in each class, what periods courses are offered when, and much much more.

As you can probably tell, this is not something that can be easily changed without disrupting many other pieces of the puzzle—especially when trying to accommodate the requests of 2000+ students. To build a master schedule that provides the best opportunities for our students requires much planning and careful consideration of all parts involved. Because of this, we ask students and parents to plan and register very carefully. If you have any questions about course registration, feel free to reach out to your counselor below:

### GREEN LEVEL HIGH SCHOOL Course Registration Mini Guide 2023-2024

**CHOOSING THE RIGHT COURSES FOR YOU:**

At GLHS, we offer a variety of courses that are intended to appeal to our students' many different interests and needs. When deciding what courses to take, students should consider past performance in classes, teacher recommendations, along with potential outside commitments. The best advice we can give to students and families is to make the decision about course requests based on individual needs, goals, and interests – not those of friends, siblings, neighbors, etc.

Below is a graphic showing the three levels of courses we offer. To the right, you can see how each course type contributes to GPA.

**ACADEMIC**

Academic courses are standard level classes that will provide students with access to meaningful and rigorous work. These classes will often include many different supports to ensure students are successful.

**HONORS**

Honors courses are a great way for students who wish to challenge themselves with a deeper exploration of topics presented in the academic version of certain classes. These courses are also great preparation for taking AP courses in the future.

**ADVANCED PLACEMENT (AP)**

AP courses are the most challenging courses that we offer at Green Level. Due to the potential for students to earn college credit on the Placement (AP) Exams in May, these courses may have additional demands and workloads than non-AP courses.

**GPA QUALITY POINTS**

Below is a table showing the number of quality points awarded towards GPAs based on letter grades by course type:

	Acad.	Hon.	AP
A	4	4.5	5
B	3	3.5	4
C	2	2.5	3
D	1	1.5	2
F	0	0	0

**COURSE LEVELS:** Acad. (Academic), Hon. (Honors), AP (Advanced Placement)

**LETTER GRADES:** A (90-100), B (80-89), C (70-79), D (60-69), F (59 & Below)

**STEP-BY-STEP INSTRUCTIONS FOR POWERSCHOOL REGISTRATION:**

Current middle school students will register for courses with their middle school counselors between February 28th-March 11th, 2023. Rising 10th-12th grade students will register on their own through PowerSchool between February 28th-March 11th. Below are instructions on how to do this:

- Go to PowerSchool (<http://wcpss.powerschool.com/public>) and enter your username and password.
- Click on the "Class Registration" tab in the left sidebar.
- Click on the pencil icon next to each category. You will need to select eight (8) PRIMARY course requests and four (4) ALTERNATES. If you're choosing any paired courses (i.e.: NC Math 2 Honors, Math Plus Honors, etc.), remember to select the core course in the pairing as your required PRIMARY core course; the elective should be chosen in one of the primary elective slots.
- After selecting all of your courses, click on the "Submit" button at the bottom of the page.

MORE INFORMATION ON:  
[www.wcpss.net/greenlevelhs](http://www.wcpss.net/greenlevelhs)

**LATIN HONORS:**

Beginning in 2018-19, the WCPSS will designate the following senior honors in lieu of naming a Valedictorian or Salutatorian. Reference: [WCPSS School Board Policy 3450, Class Rankings](#)

- Students with a 3.75 - 3.99 weighted grade point average shall receive the distinction of **cum laude**.
- Students with a 4.0 - 4.249 weighted grade point average shall receive the distinction of **magna cum laude**.
- Students with a 4.25 or higher weighted grade point average shall receive the distinction of **summa cum laude**.
