

*June 27, 2022*

Dear Elementary Hilburn Hawk Families,

On behalf of the staff at Hilburn Academy, we are happy to welcome you to the 2022-2023 school year! We are looking forward to a meaningful partnership to ensure our students can achieve their highest potential. We recognize that, our children need support from both home and school. We believe a strong partnership with you will make a great difference in your child’s education. As partners in this nest, we share the responsibility for our children’s success and want you to know that we will do our very best to support your child’s academic, social, and emotional well-being. We strive to prepare our Hawks for a bright future beyond our nest. As a K-8 School we have the fortune of establishing a meaningful connection with your family as your student begins school, and transitions into adolescents.

We look forward to a positive and productive year together! We extend a special, yearlong invitation to our families to get involved in the life of your Hawk in our nest. You are your child’s first teacher. Your involvement and support in your child’s education is essential to their success! Your active participation is key to the success of our school. We believe every student has an opportunity to shine, and we want you to see your student succeed.

This year is special, as we celebrate our 28<sup>th</sup> year as a school. While we are always excited to return to our nest, this year will bring us back to many traditions and experiences we lost during the ongoing years of the pandemic. We look forward to sharing our traditions of engagement and creativity with your family. As our Hawks take flight, we invite you to celebrate with us!

We would like to invite you to Elementary Meet the Hawks for Grades 1-5, on August 25, 2022. The times will be communicated later in the summer. Please check our Website and Twitter for continuous updates. Class lists will be made available through PowerSchool on August 24, 2022.
