Title I Home – School Compact (HSC)

Below is the HSC which states our shared responsibilities as a school community for high student achievement. After reading the attached Title I Family Engagement Policy and Home-School Compact. Please sign the sheet and return it to school by your child. If you have any feedback, please submit it.

School Staff will ...

- be prepared daily to offer students a quality educational experience.
- provide timely information about student achievement by sending home interim progress reports every three weeks.
- respond within 24 hours when a family member requests communication.
- update contact information to ensure the best mode of communication.
- provide opportunities for conferences with students' families, as needed.
- collaborate with all stakeholders (i.e. parents, teachers, counselors, administration, Title I coordinator/liaison) about students' progress
- academically and behaviorally.

Students will ...

- virtually and / or physically arrive to class daily on time, prepared and ready to learn.
- commit to taking ownership of their learning and behavior by signing social contracts.
- make an effort to complete any assigned homework even when learning is a challenge.
- be advocates for their success by asking for assistance, when needed.
- provide their families with information sent home from school.

Families will ...

- support their child's learning at home by checking Power Schools weekly.
- adhere to the classroom syllabus distributed to students.
- respond by the end of the next school day when a school staff member has requested communication.
- provide the school with their preference for communication, and consistently update communication information as needed.
- attend school conferences, as needed.
- communicate with their child's teacher when needed regarding his / her academic performance, attendance and / or classroom behavior.
- contact necessary Student Support Services staff to inquire about academic, social emotional, and / or physical health assistance.

School Improvement Plan (SIP)

The Mission of East Wake High School is to educate all students to be college and/or career ready and to be valuable contributors to the community.

The purpose of school improvement is to improve achievement and outcomes for every student by working to eliminate the ability to predict achievement based on socioeconomic status, race, and ethnicity. We work collaboratively and continuously analyzing data and making decisions to meet the unique needs of our learning community and the district's strategic plan.

This mission is reflected in the indicators of our SIP as stated below:

| Core Function | Effective Practice | Code | Success Indicator |
|---|---|-------|--|
| <i>Dimension A - Instructional Excellence and Alignment</i> | <i>Curriculum and instructional alignment</i> | A2.04 | Instructional Teams develop standards-aligned units of instruction for each subject and grade level. |
| | <i>High expectations for all staff and students</i> | A1.07 | ALL teachers employ effective classroom management and reinforce classroom rules and procedures by positively teaching them. |
| | <i>Student Support Services</i> | A4.01 | The school implements a tiered instructional system that allows teachers to deliver evidence-based instruction aligned with the individual needs of students across all tiers. |
| | | A4.06 | ALL teachers are attentive to students' emotional states, guide students in managing their emotions, and arrange for supports and interventions when necessary. |
| <i>Dimension E - Families and Community</i> | <i>Family and Parent Engagement</i> | E1.06 | The school regularly communicates with parents/guardians about its expectations of them and the importance of the curriculum of the home. |
