Spring 2020 Pilot Program for Juniors and Parents

Are you the parent of a junior who is thinking about a two-year or four-year college after graduation? Are you wondering about the steps you can take now to plan and pay for college?

You and your child can enroll in Next Step, a free pilot program from CFNC, to get three important steps done this spring before the rush of the senior year:

1. Account & Email

Make sure your free CFNC account and personal email address are ready to go.

2. FSA ID & FAFSA

Get your FSA ID so you can complete your Free Application for Federal Student Aid (FAFSA).

3. Three for You

Learn about different degrees and identify three colleges that might be good options for you.

You can access the online virtual assistant on mobile, tablet, or computer. The virtual assistant guides you through the steps, provides special content for parents, and can answer many common FAFSA questions. Our team of NC graduate students will be here to assist with any questions along the way.
