## In Language Arts with Mrs. Scheck:

The current standards we are practicing are as follows:

RL6.1 – I can **cite** text-based evidence to **support** an analysis of literary text.

RL6.2 – **Determine** a theme or central idea of a text and how it is **conveyed** through particular details.

RL 6.10 – Read a variety of complex texts

Monday, 10/7: Mid-Unit Assessment – Prometheus Homework: Read Chapter 18 and take notes

Tuesday, 10/8: Reading and analyzing the myth Athena and Medusa Homework: Read Chapter 19 and 20 and take notes.

Wednesday, 10/9: No School – Teacher Workday

Thursday, 10/10: . Review for End of Unit Assessment. Homework: Read Chapter 21 and take notes.

Friday, 10/11 End of Unit Assessment – Mythology text. Homework: Read Chapter 22 and take notes. Review notes: We will take a comprehensive test over the Percy Jackson book on Monday, 10/14.

#### Social Studies with Mr. Terry:

Social Studies Weekly Update:

We wrapped up the unit on The Five Themes of Geography. Scholars were assessed on 10/2. Make-up dates will be scheduled on a an individual basis, by the instructor. The Five Themes performance task (Post Card Project) is on the horizon, look out for the handout detailing the rubric and instructions. We will begin our River Valley Civilizations unit on Monday.

#### Math with Mr. Dube:

This week in math class we have been learning about surface area. Next week will continue with surface area and work with “nets.” We will also learn about calculating volumes. An assessment on surface areas and volumes is scheduled for next Friday, October 11<sup>th</sup>.

#### Science with Mrs. Saulnier:

\* Six week interim reports go home on 10/10 and 10/11. Please be sure to check PowerSchool regularly!

We will continue to learn about the relationship between parent rock type (igneous, metamorphic and sedimentary) and soil formation.

Our quiz has been moved to 10/11/19. This quiz will cover standard 6E2.3.

In preparation for our quiz, students will finish soil formation guided notes in their notebook and have a study guide homework assignment.

After the quiz, students will receive information for their Land Beneath Our Feet project.

Students will have in class time to work on the project but should also be finishing their work at home.
