

Supernova News: Week of 3/2/2020

ELA:

This week in language arts students reviewed tone, and began reviewing figurative language. Students have a Comprehension Check on Chapter 6-8 of their "Flush" novel and will have a Mid-Unit Assessment Friday.

Social Studies:

Students are finishing up their study of Greek geography this week. Next week we will be focusing on the major city states and forms of government. I am using Greek Mythology as a support to our learning. This week We learned about Theseus and the Minotaur and Sirens. Next week we will talk about the Trojan Horse and Achilles.

Math:

This week in math students are finishing up their unit on decimal operations. Students will take their unit 5 test on Thursday. Our next unit will be Expressions and Equations.

Science:

This week in science we will wrap up our unit on matter with a project. We will also have a "Quest" (long quiz/short test) on Tuesday. The review sheet went home last Friday and is also on Talking Points. The project will be entirely in class. We will be researching chemicals that can be considered harmful and looking at alternatives to these harmful chemicals.
