- **Parent Conferences:** If you would like to meet with the team please send me an email and the team would try to accommodate your schedule to have a conference. Please email the core teacher if you have any specific concerns with your student in that subject area. Conferences are Mondays-Thursdays in the AM (7:30-8:05) and PM (3:30-4:05). Conferences are 15 minutes intervals.
- **Grades:** Please review your students PowerSchool account weekly to make sure assignments are completed. Please review assessments and any comments from teachers. We want to make sure students are working at their greatest potential to be successful for the school year.
- **Absences:** Please make sure your student is at school everyday. We understand if they can not make school due to an emergency or illness, but please encourage them to come to school if they can. Students are responsible for completing all assignments while they were absent.
- **Behavior:** The team needs the support of the parents to speak with your student about their behavior at school. We have been experiencing students who are not following the school rules, being tardy and disrupting classrooms. School is a place for learning and we are trying to maintain this environment. We would appreciate all the support in and out of school to remind the students of these expectations.
