Core Teacher Information:

Ms. Niang/ Ms. Hardisty- Language Arts:

ELA is focusing on an argumentative essay based from the novel *Lyddie*, that will be completed next week. The focus is to be able to state a claim and support it with textual evidence.

Ms. Best/ Mr. Williams- Math:

Math 7:

Unit 5 Rational Number Arithmetic. We will be working on adding, subtracting, multiplying, and dividing rational numbers. We will have a quiz on multiplying and dividing on Wednesday!

Math 7 Plus:

WELCOME TO 8TH GRADE MATH! Students began their 8th grade unit with Transformations. They are working on translations, rotations, and reflections. They will quiz this Friday on Rotations, Translations, and Reflections. Please check their agenda nightly for homework and practice.

Mr. Groth/ Ms. Niang- Social Studies:

In Humanities we are in our 6th Unit "Industrialism". We will be studying this Unit for the month of January. We are doing an out of class project called the Industrialism Quilt. Due date will be Friday January 24.

Mr. Cole/ Mr. Williams- Science:

Students are working on clouds. They will be completing interactive notes that will assist them in understanding the different clouds. Please check their agenda for dates of vocabulary and assessments.

Best Regards,
